

# Participate in Kidprint!

This year's KidPrint! will be a "Bubble Machine."  
Make a "bubble" and be part of the PS 130 "Bubble Machine."

**WHAT:** Kidprint! is a PTA sponsored, collaborative poster of art created by PS130 students.

**How:** Follow instructions on the Kidprint! art submission form.  
(forms have been backpacked. Or you can pick up forms at the school office.)

**Where:** Drop off finished artwork in the Kidprint! box located in the office of each school.

**When:** Due date for final artwork is Monday, February 26.

## Step 1: CREATE!

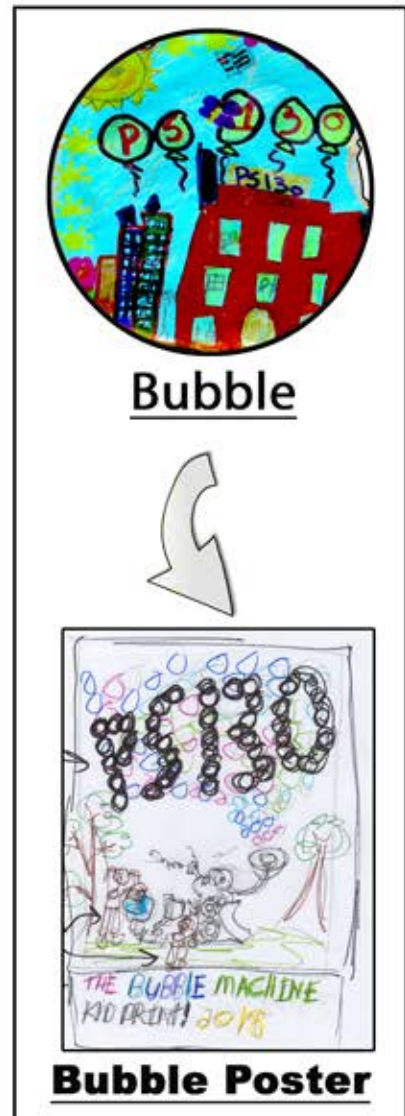

Bring home the Kidprint! art submission form. It's the one with the outline of a bubble. IN THE BUBBLE, draw, paint, or collage anything you want. Need an idea? Here are suggestions: your favorite school activity, portrait of your family or people in your community, things you do with friends, your room, things you love.....

## Step: 2 DROP OFF!

Write your grade on the back (no names please!!) and drop off your bubble art work in the Kidprint! boxes in either the upper or lower office no later than Monday, February 26.

## Step 3: COME SEE!

All bubble art work will be on display in the final Bubble Machine Collage at the Upper School. Many bubbles from each grade will be included on the 2018 Kidprint! poster that will be available for purchase at the PTA Spring Auction.

# Kidprint! Optional Submission

Still feeling Creative? We need additional artwork.

Feel free to draw and submit the items below:

- 1) Draw what you think a gaint bubble machine would look like. (If stuck, think Dr. Suess, etc) Please include children operating the machine.

- 2) Draw trees and flowers for a background. If you still have energy, draw yourself floating in the air or sitting on a bubble.
